“ *There are times in life when one reflects on a conversation and thinks, "this was a moment in time that truly blessed me". Such is the case when I heard of Uncle Bud's departure from time to eternity. He always shared with me in conversations on this matter, it would be in the "blinking of an eye" that he would step from time into the Master's Arms. It is a blessing to me to know that he did exactly that. I can see the welcoming committee as they gathered to meet him. May our faith keep us comforted and may the Lord's Promise give us hope that we will meet again. Unle Bud, I thank God for your ths@yahoo.com vice to God, your family and your country. Well done good and faithful servant!
Love you all, Sincerely Edith (neice and cousin

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—
ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*
