“ *Vanessa, Brian, William, Steven, Keyia, Miss Rhoda, I am a long lost friend of the family and send my sympathies to hear of Mr. William's passing. This is Tyrone Braxton from Reistertown Road getting in touch. We lost touch over the years but your family has always stayed in my mind. As a kid I was always playing in your back yard and Nessie was my best friend. I always remember Nessie telling me Mr. William was from down south, Virginia. As I remember he was always a quiet man and nice to me. I would be so pleased if you all would get in touch with me and the next time I'm home for a visit I'll get in touch. I'm living abroad in Glasgow Scotland just now. I hope you all are well and happy. Let my best friend Vanessa know I hope we 2 lost friends can find each other again. Regards & Love, Tyrone..xx*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
