“ William was my father, We never got a chance to meet, he didn't even know I existed. I recently within the last year found out that he was my father and I his oldest son, I was adopted at birth and my mother passed also before I could I could meet her. I been told of the great struggles that he over came and the great man he became through his struggles. I'm honored to be his son and to have a father that became such a shining example and role model for so many despite his past. Although I did not know him I hope I have and can be a reflection of him.

“ You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 2yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your dead loved one again! Any Jehovah's Witnesses that you meet would love to show you in the Bible the truth about death! Again so sorry for your loss!!

“ I was deeply sadden to hear about William's passing. Over the years I watched this man go through several transformations. In the end, he became a strong role model for the family. May God watched over the family that he left behind. May the God that he served continue to watch over his family and continue to protect them from dangers seen and unseen. Again, the family circle has been broken, I will miss William. Rather than a first cousin, William has always been like a brother to me and my family, May he rest in peace.
