“ We the March Family wish to extend our prayers and love to you and your family in the time passing of your loved one. Time will never take away the memories of the times you've shared with your love one... Those memories will remain with you forever. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##

“ Family, please accept my heartfelt sympathy. The death of a loved one is so hard to come to grips with, and it touches all families sooner or later. Will sickness and death ever end? That is the question the faithful man Job in the bible wanted to know. He said, "If an able-bodied man dies can he live again? Then speaking about the resurrection he said, I will wait until my relief comes. "For the work of your hands you will have a yearning. Yes Job knew that he would sleep in death until Jehovah resurrected him. God yearns to see his faithful servants live again. He has given authority to his Son Jesus, to bring the dead back to life. John 5:26-29 What joy all families will experience to see their loved ones come to life again. May those wonderful thoughts from the bible comfort you, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##

“ I am very sorry to learn about the death of Willie. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when it was written but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
