“ *It's been hard to know what to say. Bill was a true friend and coworker. We fussed at each other then hugged and made up, we talked about life, families. He took Shawna and I to cash blast and we always looked for the national Christmas tree. Not sure we ever found it. He reluctantly helped me decorate the x mas tree at LINDSAY, although he always said never again! He would follow my mom up the sidewalk when she brought brownies! You will be missed my friend ☐ until we meet again . . .*

“ *I worked with Bill for 20 years when we were Hill & Sanders Ford and since 2005 Lindsay Ford. Bill and I sat across from each other in the showroom for many years sharing laughs and just good general conversation. I've always respected Bill for his hard work, dedication to his job and respect to fellow employees and his clients. He is sorely missed by all here in Wheaton and his may customers who are now learning of his passing. Good bye my friend I miss you...*

“ Bill & I worked together at Hill & Sanders Ford for 17 years. He was a well respected colleague who was a friend to everyone. His professional approach to everything Bill did was his customers came first.
