“ *The tears that dampen our eyes in time of mourning are tears of homesickness, tears of longing for our loved ones. But it is we who are away from home, not they! Death has been for them a doorway to an eternal home. They are still with us, lovingly and tenderly waiting for the day when we, too, will enter the doorway of our eternal home. It is such a mistake to see death as separation and nothing more. For us who believe, death is a preparation for eternal union with those we love, in peace and in joy.##imported-begin##The March Family and Staff##imported-end##*

“ To the family of Willie Lee, I would like to offer my sympathy and to share with you the words found at John 5:28,29. That says, "The hour is coming in which all those in the memorial tombs will hear his voice and come out..." I hope you find comfort in these words.##imported-begin##Gwen Winston##imported-end##

“ When we lose loved ones we need to find comfort . The bible is the best comfort of all . There a scripture in John 11:25,26 "Jesus said to her: 'I am the resurrection and the life. He that exercise faith in me, even though he dies, will come to life; and everyone that is living and exercises faith in me will never die at all. Do you beleive this?'" . As you can see Jesus can bring us much comfort .Please read your bible and find comfort in him as I did.##imported-begin##Phyllis DuVall##imported-end##
