“ With much regrets, we do offer our deepest sympathy to the family in the passing of our Aunt Willie. May it help to know that the family is in our constant prayer. We are so sorry that we won't be able to attend the services. Continue to lift your heads to the hills from which comes your help and strength. Love you all!!!

“ I send my sincerest condolences to the family. I also know what it feels like to lose a loved one. But I always find comfort in the Bible verse of Acts 24:15. It mentions the sure hope of a "resurrection" of our loved ones. I hope that you too may find comfort in this scripture and in the hope the Bible offers.

“ May I send condolences to you all. When death comes it breaks the circle of life for all. Ms. Willie lived a very good age , 88 years. Just imagine the JOY we will have when the dead are resurrected back to life on a paradise, never to die again, Isa.25:8. Our heavenly father knows how you all are fairing these days and cares, 1 Peter 5:7. May all the many precious and happy time spent with Ms. Willie stay close to you all heart in life journey.##imported-begin##Lillian Crosby##imported-end##
