“ My sincere condolences to the family for the passing of Mr. Melton. I am so very sorry for your loss. Death is truly a hurtful thing that is so very hard to come to grips with. We miss our loved ones so very much when they pass away. Please know that Jehovah God and his son Jesus care very much about your pain, and they promise that one day all of this suffering we are going through will be a thing of the past. He will even erase the memory of this life with all it's troubles from our very memory. Isaiah 65:17 says, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." In that new world there will be many blessings. Verse 24 says, "And it will actually occur that before they call out I myself will answer; while they are yet speaking, I myself shall hear." So Jehovah will be there for us to fulfill all of our desires. We desire to see our loved ones again who have died, and that will come true as well. Acts 24:15 says that there will be a resurrection. May you be comforted by the hope of being reunited with your loved one again. Please contact me on my E-mail so that I can share more of God's blessings with you.##imported-begin##R Johnson##imported-end##

“ I am sorry to learn of the death of willie. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
