“ *To my Big brother , I will always miss and need you in my life. Your smile always lit up my Universe. And to hear your voice was to hear the sound of pure gold. I adored you and worship all you do. I guess you can say I idolized my big brother. Your shoes will be hard ones to fill. And I am quite sure there will be no one else as great as you Ever in my life. You taught us so much and there were so many more lessons to have learned under your wings. I know my memories will sustain me. But I hope the part of you that keeps me from crying is deep inside my heart. And as soon as my tears subside I shall be fine its just now that I miss you so. When I think of you I think of that melody called "Sonny" .
Just know you were a hero to us all , my kids, and my kids children.*

*I love you and miss you deeply
love always your little Sis Willie M. Rogers*
