“ *i am saddened to hear of Willie's passing.
I was searching for him when I run across his obit.
I worked with Willie for many years at Va. Natural Gas and always thought the world in him.
He was both funny and serious and to those he liked,spoke of them in high regard.
I know this was 2 years ago but for me,he just passed.
Condolences to his family and may you,(Willie) rest in peace!*
