“ *Losing a loved one is so difficult to bear. I send my deepest condolences to your family. Even though death is so painful, Jehovah has made a way out of this terrible situation by sending his most precious son Jesus to pay the ransom price to buy us out of this situation that Adam brought upon us all.. 1st Cor 15;22 promises, For just as in Adam all are dying so also in the Christ all will be made alive. In the bible there are nine recorded resurrections. As far back as the old testament, God used his servants to ressurect people from the dead. The prophet Elijah once stayed in the house of a widow whose only son became ill and died. Jehovah gave Elijah the power to bring him back to life. Imagine how that widow felt at seeing her son alive again. Very soon, the bible prophecy indicates that the time is soon coming when all those in the memorial tombs will hear Jesus's voice and come out. Then we will have the same joy that that widow experienced. May these wonderful promises give you a sure hope to cling to, and the strength to cope with your loss. John 5:28,29*

*(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.*

*You have my deeest symphathy.*
