“ *Wilnet took care of my partner, who had ALS, for about 5 years. Without her help and support I would not have made it. She was my rock and got me through the worst part of my life. I was thinking about her a lot today and was hoping she was still with us so I could find her. If any of her family sees this, I want you to know that she was one of the finest people I ever had the pleasure of knowing. I am so very sorry I waited to long to find her but she should know how much she meant to be. God bless you Wilnet. Cheryl Belcher 3/15/26*

“ Mrs. Harrington was a wonderful friend. She would always pick me up for Church activities because I don't drive, and if it was a night activity, my family would pick her up. She will be greatly missed by her Church family and friends.

“ To Ann, Cynthia and family,  
When God took Mrs. Harrington home to be with him, he left a lot of broken hearts. She was loved by many. May she continue to live in the heart and minds of those who knew and loved her as being upbeat and full of life. Gone is a mother loved by all, Her soul is now at rest. She sleeps in peace, her work is done.
