“ *My favorite song is “He Arose!” For believers, GOD tells us that because of Christ’s resurrection and victory over the grave the believer’s death is simply a door that opens into the very presence of the Lord... Because HE LIVES WE ALL CAN FACE TOMORROW! Please accept my heartfelt condolences in the loss of your loved one!*

“ *May the Lord smile down on the family in this time. To the wife I never met, I heard all the wonderful things from your love one. He shared the jokes and the laughter, he will tell of the good food and drinks. Winston will be missed. Stay in prayer and God will see you through.*

“ Dear Dad,

I don't know where to begin, my only wish is that we could start all over again. In life time goes by, ages go by, but my love for you will never die.

I will surely miss you more than words could say. I will certainly miss your laugh, your jokes, your gossip and the everlasting love you had for my mom Daphne.

You was a very generous and giving person, everyone knows that. You loved to cook and thought that no one could cook better than you and that i will miss that. Some called you Country, some called you Pa but i always called you my sweet loving Papa.

Mandy, Marsha, Aunty Violet, Aunty Judith, Uncle Robbie and the woman you loved for many many years Daphne Murray will ALWAYS have you in their hearts. Despite the issues you all had they all loved you and will miss you dearly.

Words can't express the way i am feeling at this very moment in time. When i look in the mirror i see you in me and that's why you will always be apart of me. Death cannot separate us and although you are no longer here you will be remembered through me and my own family.

Sad you will never get to see your future grand children, but i will always share my memories of you with them. I love you Dad.

*Always and forever
Your one and only Daughter

“ *To The Waldron Family:
The loss of a loved one is always difficult to fully comprehend. We don't know how God works but, we are confident that He is God and He knows what's best. Let us be assured that all will be well and claim the promise that weeping will endure for a while but joy comes in the morning. You are forever in our prayers and Winston will not be forgotten because of the numerous amount of funny stories he shared.*

“ I send my deepest condolences to the Waldron family & friends. God promises a time when “he will actually swallow up death forever.” (Isaiah 25:8) To remove death, he must eliminate its root cause, which is sin. God will do this through Jesus Christ, who “takes away the sin of the world.”—John 1:29; 1 John 1:7.

“ Our deepest sympathy to the family. God lovingly promises to bring the last enemy, death, to nothing at 1Cor. 15:26 and to swallow up death forever at Isa. 25:8. We hope these promises will sustain you at this time.
