“ "I hear you've lost your little daughter," Said the traveler to his friend, "And I know your poor heart's saddened, Because you can't see her again; If I just had some words of comfort That my caring heart could share with you; But your loss is such a crushing blow, I just don't know what to say or do." But the girl's dad replied, "Dear comrade," You are, oh, so very wrong, For I haven't lost my little loved one Though from this earth she's gone! For I know exactly where she's at, And I'll be with her again someday. She's up in heaven with her Saviour Where little children run and play. "Friend, if you don't know the Saviour In the pardon of all your sin, Why, you need to recognize your need, And from all your wrongs repent; Then ask the dear Lord to save you, And commit your life to Him today; Then you'll know your daughter isn't lost She lives and waits in a better place!"###imported-begin##Sameka##imported-end##

“ I extend my heartfelt condolences for the loss of Xaviera. The Bible lovingly reveals that all the causes of death such as sickness, accidents and crime will be removed. (See Isaiah 33:24, Isaiah 25:8 and Psalm 37:10,11) There is much hope for our loved ones who have died because Acts 24:15 declares "there is going to be a resurrection. May you receive much comfort and strength from this wonderful hope found in the Bible.##imported-begin##Sharon Hill##imported-end##

“ Dear family of Xaviera, I can feel your sorrow, I can feel your pain. It's coming through from what I'm reading, and I feel so sad for you all; especial when I think of her two little children who must be very young. I too know the hurt of losing someone you love, because I have lost many family members, including my only son 12 years ago. Even though the pain of losing him is not as great, it truly never goes away. Did God mean for this to happen? This unfairness? No he didnot, because he is the creator of life and he hates death. He views death as our enemy, and at 1st Corinthians 15:26 he promises: "As the last enemy, death will be brought to nothing." The reason why we die is stated at Romans 5:12 which says, "For just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men, because they had all sinned. So before Adam sinned, Jehovah God didnot have a purpose for people to die. Adam and Eve would have still been here living in a paradise earth if they had not turned their backs on God. But fortunately, through his great love for us, Jehovah immediately took steps to undo what Adam brought upon us. He sent us his dear son Jesus to make the way for us. 1st Cor 15:22 says, "For just as in Adam all are dying, so also in the Christ all will be made alive. Yes family, through a ressurection, Xaviera will come to life again. At John 11:25 Jesus said these powerful words: "I am the ressurection and the life. "Everyone exercising faith in me, even though he dies, will come to life." So family faith is the key. If we have faith in the ransom Jesus paid for us, and are obedient to Jehovah, we are gurranteed to see our loved ones again. At that time, which by the way is coming soon, the world will once again be a paradise. Gone will be sickness, crime, wars, poverty, violence and death. Please read 2nd Peter 2:13, Psalm 37:10,11, Isaiah 25:8, Isaiah 98:17, Rev 21:3-5, and John 5:25-29. We are living in the last days, 2nd Timothy 3:1-5 and soon God is going to end all this misery. I invite you to contact me at my e-mail address, so I can show you from your own bible how these wonderful blessings will soon come about. Take care family, and throw all your burdens on Jehovah, because he cares for you. 1st Peter 5:7. May your precious memories of your loved one comfort you very much in the

days ahead. Rita###imported-begin###R Johnson###imported-end###

“ It has been three days since your funeral and it still feels like a bad dream. Even though I saw you lying there like a sweet little doll. Baby X I feel like I,ve been stabbed in my heart. I love you so much. On the days that I didn't want to go to Hertz, it was a little easier when I knew I was working with you and Chicken. Saturday morning I could hardly get out of the house. I couldn't stop crying because I knew my baby wasn't going to come around the corner and smile at me. I didn't even bother to cook breakfast because I didn't have you to share with. I always told you I had four friends. On New Years Day I called you, Elle B and Chicken. I said to each of you, "no one loves me but Ronika." B and Chicken both said whatever and hung up on me. You said whatever Black-Jones, you know I love you, ha!ha!ha! Then you hung up on me. Everything I do reminds me of you. I can't even buy grocerys without thinking of all the things I bought just because Baby X will want some of this or that. I'll miss our trips to Jangs and your early Sunday morning calls. You always wanted to know what I was cookin for Page. I love you Baby X. Now I have three reasons to work to get to Heaven, My GOD, my mother and my Baby X.I've got to see you again!!!##imported-begin##Black-Jones##imported-end##
