

Yolanda Dyer

September 18, 1957 - March 12, 2014

Suddenly, on March 12, 2014, God opened the gates of heaven to receive Yolanda Dyer , a women of great love and compassion. Yolanda Dyer was born on September 18, 1957 , in Baltimore, Maryland to the late William McMillan and Evelyn Curbeam.

Landa, as family and friends affectionately knew her, married the late Keith Dyer, and from this union her son John, and daughter Andrea were born. John and Andrea brought a unique brightness and sparkles to her eyes. Her son John, gave her J 'Quan, and her daughter Andrea, gave her Ryan. Landa referred to her loving grandchildren as her true jewels.

Landa received her education in the Baltimore City Public School System. Landa began her career briefly in retail, after a few years she began her professional career at Johns Hopkins Hospital where she was a very dedicated employee serving the Johns Hopkins Hospital Community for 26 years until her passing. The Johns Hopkins Hospital Community will never be the same without her constant words of encouragement and her conversations about the goodness of the Lord. Because of her love for the Lord, our God, she joined Mt. Hattin Missionary Baptist Church under the leadership pf Claveron Burston, Jr.

Landa had a outgoing personality and made everyone feel at ease in her

presence. Her family and close friends, as well as her Sister Girl Circle, will deeply miss her, and hold ever dearly, her famous fussing outbreaks that always that always ended with "I LOVE YOU". She expressed her love for her family and friends cooking and sharing many homemade meals and by making beautiful gardens that made the entire block of neighbors smile and her dancing while listening to her music. Landa was given the skills and talent needed to decorate a room. If needed, she would spend days searching for the perfect piece that was missing in order to complete and finish the room off perfectly.

Yolanda leaves to cherish her wonderful children , John and Andrea, daughter-in-law Lisa, son-in-law Rodney, grandchildren J 'Quan, Ryan, Charlene, and Chelsea, great-grandchild Karlin, in-laws Mr. and Mrs. Willie Nelson, brothers-in-law Morris and Edward and five sisters-in-law. She is survived by four aunts, one who she shared a heart of gold with, Sally, two uncles, a host of cousins that she treated like her brothers and sisters, nieces, nephews, and friends. A circle has truly been broken with her Circle of Sister Girlfriends.

“ To the Ware family and friends, sorry for the loss of your dear loved one. At a painful time like this, comfort from God's word may ease the pain. Let me share with you 1Corinthians 15:26..."And the last enemy death, is to be brought to nothing." What a wonderful promise from Jehovah! To find more of his promises, read your Bible daily and take in his accurate knowledge(John 17:3). He is the only true God. My condolences.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ Hey Sis: Miss you so much already. Didn't know that you were tired, stressed, and had a lot on your plate. You were there for so many people and never complained. You always put them first and not yourself. I wish now, that you had listened to your heart and took care of yourself first. Jay Jay,fluff and your grandchildren and family missed the person that you are. My prayers and love go out to them. Love you Sis with all my heart.

“ Yolanda, my last memory of you is your awesome hug you gave me while I was cleaning out my locker. I wish I had hugged longer and harder and told you what a sweet friend you have been to me. I will miss you always. My condolences to your family. I know how hard it is to lose a mother.

“ Yolanda, I did not know that when I saw you and we communicated a month ago, that that would be our last conversation. I did not know that I would receive a message at work that you had taken ill, that us seeing one another and us talking would be no more. But, as we talked, I reminded you of how beautiful you are, how wonderful you are, and how much my husband and I Love and Care for you. I feel SOOO GRATEFUL TO HAVE HAD SUCH A WONDERFUL RELATIONSHIP WITH YOU. Though my heart is aching, my mind cannot digest the thought of you not being here, I know you needed peace, and GOD gives us just what we need. I am going to Praise him and Thank Him for allowing me the honour to have been graced with your presence in my Life! To the family, I can truly say that even when you just don't understand WHY.....In those times, GOD IS STILL MAKING A WAY!!! May he continue to be your strength and your GUIDE!!!

With Love and our Condolences,
