“ *Even though I didn't personally get to meet Yvetta, just from looking at the smile in the photo above I can tell that she was a joy to many lives that surrounded her and from reading the obituary its obvious that she's cherished. Death is something we all have to face, but we don't have to let it get the best of us because in God's Word, The Bible, there is a wonderful promise recored at John 5:28,29, and it says, All those in the memorial tombs will hear his [Jesus] voice and come out, so its certain that she will come back to life soon and it will be possible see her again.*
