“ *They say that God picks the best flowers and he sure picked a beautiful one. I am going to miss you so much cousin. I will miss our long heart to heart phone calls, sharing our life stories, giving each other advice. I sure didn't see this coming. You snuck out on me Yvette and I am going to miss you so much. My heart is really broken. I have so many regrets. I wish I would have come to visit even when you said it wasn't a good time and insisted that I wait. I know you're in a better place but you really left a void here. Rest on cousin. You will forever be in my heart. Love you cousin Resa.*
