“ Dear Mom,
Wow, its been a minute since I visited your page. Just scrolling thru all the kind words and remarks everyone have said about you. It does not seem like 17 years, it still feels like yesterday. I so every miss you. Today, is a day that I visited Grandma's page also. You two have another Angel to join you "Arletha"...I know its trouble in paradise now. Now God has three beautiful soles.
Ma, I miss you and know words can express how I feel at times, when I have no one to talk to. Now that you and Grandma are gone, I poor my heart and faith into God so every more than before. I will forever Love you.
Love
Yolanda....yeah yeah that's my name now. I no longer go by Nikkie :)

“ Dear Ms. Yvonne, I do not know how I am going to make it coming to work everyday without you being there. You have become a Special person in my life. I just came back to work today (October 15, 2001). I lost you and my grandmother on the same day. My heart is very heavy with pain. I know we are not suppose to question God about Why he chose you to become one of his Angels. I am trying not to cry while writing this letter but it is so hard not too. I am going to MISS YOU VERY MUCH but I WILL NEVER FORGET YOU! Love, Charlene##imported-begin##Charlene Young##imported-end##

“He Himself has said, I will not in any way fail you nor give you up nor leave you without support.” Hebrews 13:5 May your troubled heart find peace and comfort in the knowledge that you are never alone. May God's presence ease your trembling spirit and give you rest. He knows how you feel. He is ever aware of your circumstances and ready to be your strength, your grace, and your peace. He is there to cast sunlight into all of your darkened shadows, to send encouragement through the love of friends and family, and to replace your weariness with new hope. God is your stronghold, and with Him as your guide, you need never be afraid. No circumstances can block His love. No grief is too hard for Him to bear. No task is too difficult for Him to complete. When what you are feeling is simply too deep for words and nothing anyone does or says can provide you with the relief you need, God understands. He is your provider - - today, tomorrow, and always. And He loves you. Cast all of your cares on Him... and believe. With deepest sympathy Rodney, Lisa, Nick, & Sydney###imported-begin##Lisa Tomlin###imported-end##

“ Yolanda, Jimmy, Robin and Family, my heart truly goes out to you, because three months ago I lost an angel (my grandmother) and you can never imagine your love one leaving you and then it happens. The sorrow and pain is just sooo hard to bear and you don't know what to do and how you're going to make it through, but trusting in God and I mean TRULY TRUSTING IN GOD like never before is the only thing that gave me peace and the courage to go on at such a lonely time in my life. If there is anything that I can do for either one of you I am here, because I can honestly say that I know what you're going through. Let Ms. Yvonne's spirit live on through you. God Bless all of you and keep you in his loving care. "Those That Mourn, Shall Be Comforted."###imported-begin###Shonae Spence & Family###imported-end###

“ Ma, I love you and I am going to miss you so much. The tears in my eyes just keep pouring. I don't know how I am going to make it. You were my best friend and my only friend. I'm going to miss touching your soft fat cheeks and holding you. I can't keep asking GOD why, because I know you are with him. I just ask GOD to keep you safe and warm. I always said you would never leave me, but I know I will be with you someday. I will do my best and take care of Robin and Jimmy like you would want. I love you so much. I just cant stop typing. I keep crying. My hands are cold. . . No one knows how someone feels until they lost someone they love. I love you Momma Von, and you are always with me. I feel you in my sole. “ To Yolanda and family, I am lifting you and your family up in prayer. I will continue to ask God to comfort you in this very difficult time. I know it's hard, but death is a part of life. The time we have here on earth is borrowed time from the Lord. We never know when it will be our time to leave here. Try not to be too grief stricken for your mom. You know she's better off now and with the Lord. Make sure you treat everyone with kindness during your remaining days here. Call someone you haven't spoken to for a while or write to that family member you've been angry with a while. Make good use of your time here and make sure your soul is right with God so you can see your mom again. We are all in our last days here. Our days are all numbered. Ms. Yvonne has overcome this world and she has made it over to better days and better times. We could only be so lucky. May God bless you.##imported-begin##Stacy Buie##imported-end##
