“ Dear family of Yvonne, may you be comforted and strengthened by the hope of the resurrection, which is God's means by which the dead will come back to life. Losing a loved one certainly isn't easy to deal with, but we can be comforted by the fact that death is not the complete end, and they can live again in peaceful and secure conditions. One day soon God promises a peaceful, paradise earth just as it was from the beginning, and all who love Jehovah and his son Jesus will share in those blessings. Isaiah 45:18 tells us that God didnot create the earth simply for nothing, but created it to be inhabited. Also Isaiah 65:17 speaks of a time when God will create new heavens and a new earth, and the former things (we are going through now) will not be called to mind, neither will they come up into the heart." May you be comforted by God's wonderful promises, and if you are interested in knowing more concerning God's promises, please contact me at my e-mail address.##imported-begin##R Johnson##imported-end##
