“ I am so very sorry that you lost your dear Yvonee in death. I would like to share a word of comfort with you. I know how it feels to lose someone you love, because I have also lost many family members and friends over the years. One day soon God promises that he will rid the world of all sickness and death, because it is his desire that we be happy. His kingdom will undo all the harm and terrible tragedies that befall us all, and bring about a peaceful new world. Psalm 37:10,11, 2nd Peter 3 :13. Even our dead loved ones will share in these blessing. because Jehovah promised that they will be raised from the dead by the authority of his Son, Christ Jesus. John 5:26-29. If we are obedient to his laws, then we can share with them in those wonderful blessings for all eternity. Please contact me on my e-mail if you world like to know more about Jehovah"s wonderful promises.##imported-begin##R Johnson##imported-end##
