“ Hey baby boy ,
It's almost 2 years since them cowards took you away. I miss seeing u and quise in my yard on your scooter . You never needed a invite. I had our last real convo , but my phone got stollen. Sad !!! This coward tried self defense and you had a snitch "skeet" testified you was a crips and drug head and carried guns . Tried to paint you as a thug . Smh but that didnt fly . I'm so sorry your gone , I'm so sorry that they planned this against you. as you see hold it down for you. Not a day that goes by that you are not spoke about. As you can see most moved on with, with there life . Quise has a baby boy jay is gone for a while Maleak is doing well always in contact 2gs made a song and your mom need some healing . You was a man of God so please comfort her let her know your ok. And as for all involved , give justice to them . I'm sure you had no clue to why but as time went on you now see . Watch over your sister and brother and shine over your family . I don't post the times I go to see you cause it's our special time. Sad u was taken too soon sorry if there was any suffering . I'm sorry the love of money cost you your life. But your with our Heavenly Father , who will comfort you. No more pain no more heartache . Till we rejoice again. Love always.

“ Time has gone by and the thought of you not being here still bothers me. No one will ever be able to compare, replace, or come close to who you were as a person. I miss you everyday and I think about all our talks, laughs, and moments we shared. You meant a lot to everyone. I love you and I miss you but I know you in a much better place. R.I.P Cuzzin

“ I had the honor to fellowship with Zekei " Bam-Bam" at Worship & Praise Deliverance Church.. He was my little brother in Christ. I watched him grow up into a mannerable, intelligent man of God ! With so much talent & courage ! He was & still is something so special. My heart is crushed, because I know he had a bright future.. But God has a better plan for his child ... My condolences to Kei, Kiara, & Lil Frank & the entire Johnson family... I Love You'll so much.... God is still in control & will be your peace through it all. I'm praying for you'll & everyone else who life he has touched. I Love You Zekei " Bam-Bam"

“Wow! I am at a loss of words. I am truly sorry for your loss! I had Zekei for World History at Huguenot. He was a special student; smart. He was always being the class clown making everyone laugh, even me. He will be missed.

“I am truly deeply sorrowed at the death of your dear son, family member and friend Zekei. The death of anyone, especially one so young may at times seem too much to bear. Please know, and believe our Heavenly Father Jehovah God hates this situation. He himself knows the depth of this kind of pain. He too lost a son to death. This was never His purpose for Zekei, nor any of mankind. Then he resurrected Jesus, giving irrefutable proof of his ability to reverse this enemy (1 Corinthians 15:26). There are eight other documented cases of persons resurrected back here to earth, several being young persons (2 Kings 4:32-37, Mark 5:35-42, and John 11:11-44) Very, very soon the earth will be restored to a paradise (Genesis 1:28), and all righteous mankind will live in peace, happiness, perfect health and non-ending life (Psalms 37:9-11, Isaiah 33:24, and Revelation 21:3-4). There you can wrap your arms around him again....soon. Our Creator promises this (Isaiah 55:11,12) My heart aches so much for all of you. May you draw a measure of comfort, and much hope in these very real promises. Sincerely D. Ward Michigan Much more Bible-based comfort can be found on the website www.jw.org

“ I met Zekei when he played football at TJ. As a parent who was always there at practice and games I was impressed by how mannerable he was. He was a great person with a wonderful personality. I am glad that I got to know him before he left TJ. My heart goes out to his mother, family and friends. Rest assured in knowing that God will carry you through this difficult time. God bless you!

“ *Death may take away the one person we adored but cannot take away the memories that we shared as they are just for us to cherish.*

Death is a start of a journey and not its end.

Death is when God holds our hand and takes us to the Great Beyond where everything is eternal.

No problem in your life is here to stay forever. Everything passes with time, like your happy days were driven into the past; all your sorrows also will soon disappear and make way for new happy moments to seem in.

When you feel like crying, don't hesitate. It is just a way of your body throwing out all the old bad memories and making place for the new good ones.

I am sending you my heartfelt sympathy and prayers to give you strength during this tough time. Just remember you're never ever alone, God is always standing by your side, even on the days when he only seems like an illusion.

In Sympathy, Sis. Tina Lewis.

Don't depend too much on anyone in this world because even your shadow leaves you when you're in darkness.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
