“ *I am sorry to learn of the death of Zelda. I'm sure that this must of been a difficult time for all of you. I am forwarding script that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was ture when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all times. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.###imported-begin##JT Nunnaly###imported-end##*

“ *I'm so very sorry to hear of the passing of your Zelda. I know this must be an awful blow to the family. As Zelda probably knew from her studies, Jehovah didnt desire this pain for his human family. This only came about because of the rebellion of Adam, Eve, and Satan, but Jehovah has promised to break up the works of the devil; and to bring our enemy death to a final end. 1st Cor:15,26. Then all those who are in the memorial tombs will hear the voic of Jesus and come out of those tombs. Jehovah has given all authority to Jesus to bestow life to the dead in a paradise earth of peace. John 5:26-29. He demonstrated this love and compassion for people when he was on earth by curing many from their sicknesses, and ressurecting many from the dead. Mark 5:38-43. May your family put much faith in the promises of Jehovah, and remember that obedience to Jehovah is the key to eternal life. May you be comforted.###imported-begin##rita johnson###imported-end##*

“ This message is to Zelda's family. I am Ms. Babara's mother and Ms. Pam's aunt. I was privileged to meet much of the family the night before the funeral at her home where the witnesses served the family a delicious meal. Just want to encourage you all to continue where she left off learning about the bible and the promise to live right here on the earth in a beautiful Paradise like the garden of Eden. Jehovah promises a resurrection. Acts 24:15 and Psalm 37:29. (please read) So sorry for your loss. You have my deepest sympathy.##imported-begin##Barbara Jonhson##imported-end##
