“ To the family, I offer my sincere and warm condolences. I know that you miss your loved one very much, because it is so devastating to lose someone we love. It's almost like an unreality knowing that we can't share life with them anymore. Our heavenly father feels our pain, and this was never his purpose for us. The scriptures let us know that one day there will be no more sickness and death hanging over our heads like a dark cloud, because Isaiah 25:8 lets us know that Jehovah God will swallow up death forever, and certainly wipe the tears from all faces. Jehovah allowed his precious son to die in our behalf so that we would be done with sickness and death forever, and have everlasting life. John 5:28,29 says: "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out; those who did good things to a ressurection of life." May these wonderful promises from God be a source of strength and comfort to you as you await his great day of salvation.##imported-begin##R Johnson##imported-end##
